Ryan Fujii and Rey Tellis from the Federal Transportation Administration are scheduled to arrive in Guam on Thursday, August 11, 2022. They will be meeting with Richard Ybanez, Interim Executive Manager, and the Board of Directors to discuss GRTA’s fleet operations and awarded grants. EMPLOYMENT - GRTA HIRED 7 NEW BUS DRIVERS & AUTOMOTIVE SERVICE WORKER II

The newly hired employees will help ease the pressure with the Paratransit and Fixed Route and allow the agency’s vehicles to be assessed and repaired in-house, reducing the cost of outsourcing services for the fleet.

TEN NEW BUSES ARRIVING END OF 2022

Ten new buses arriving towards the end of December 2022. The production delay of the bus chassis was due to the pandemic, which have been resolved. Having these additional buses in the fleet will allow GRTA to complete its mission more efficiently in 2023.

COMMUNITY OUTREACH - GRTA JOINS 78TH LIBERATION DAY PARADE

Two years since the start of the pandemic, which caused a stop to all Liberation Day festivities, and now that things are slowly returning to normal, so is the need to celebrate. GRTA in conjunction with DPW and DISID participated in this year’s Liberation Day parade. Members of GRTA and DISID rode in the buses as it was driven in the parade. Smiles were all around as candies were handed out to those in attendance.
